

About Us

SuJaya herbals was founded in 2025 with deep passion for Ayurveda, natural healing and holistic beauty by Dr. Sujatha and Dr. Jayakumary. Rooted in timeless tradition of Ayurveda. Our brand is dedicated for creating premium herbal skin and hair care products that nurture beauty naturally and safely.

Every formulations of SuJaya herbals thoughtfully crafted using carefully selected herbs, hot pressed oils and traditional ayurvedic principles to provide gentle yet effective care for skin and hair.

At SuJaya herbals we believe true beauty comes to balance, purity and healthy living. Our products are designed to address everyday concerns such as hairfall, dandruff, dryness, pigmentation dullness (sun tan) and scalp imbalance while supporting long term wellness.

Our Mission

Our mission is to create premium formulations that deliver visible results while nurturing beauty in its purest and most natural form.

Our Vision

To become globally admired premium beauty brand celebrated for elegance , purity and conscious self care.
